

# ASIAN TACTILE

## Detectable Warning Tiles

**Robust. Seamless. Matchless.**

Asian Tactiles have robust ridges and dots to guide the visually impaired safely to their desired destination. The tiles assist in giving directional guide to people walking or in wheel chairs. Following international standards, Asian Tactiles are primarily manufactured in yellow color and are used in diverse applications.

### WHERE TO BE USED:

Walkways | Patios | Parks | Bus Stops | Hospitals | Government Buildings | Housing Colonies
