COMPANY INTRODUCTION

Setting new standards with the introduction of NEPAL STANDARD (NS) for Pavers and Kerbstones by Nepal Bureau of Standards and Metrology; Asian Concreto is Nepal's first company to manufacture Nepal's standard certified pavers and kerbstones and also is Nepal's largest company in the concrete landscaping industry. Located strategically in the western part of Nepal in Nawalparasi, Asian Concreto produces an extensive range of superior grades concrete landscaping products such as concrete pavers, tiles, bricks, hollow blocks, and kerbstones. With the products being available in a large variety of colors, patterns, and designs to cater to a vast range of clients, the products are suitable for all kinds of architectural, residential, commercial, industrial & institutional projects. Asian Concreto's state-of-the-art German plant makes the entire process of production and quality control completely automated ensuring that the products are produced in high strength, quality, accuracy, and design. Incorporating the latest technology and business practices, Asian Concreto goes above and beyond the current market trend and competition by ensuring stylish, modern, and durable outdoor paving solutions. Asian Concreto is committed to providing quality products, prompt delivery, and active involvement in the projects till their entire completion. All of our concrete paving products are crafted to the highest quality to ensure years of enjoyment. This gives you the peace of mind to know that your Asian Concreto product will last for years to come.

Architectural Brilliance

Asian Concreto's Enduring Legacy at Ram Mandir

Asian Concreto proudly crafts contemporary marvels, leaving an indelible mark on Ram Mandir's landscape. Committed to innovation and quality, we seamlessly integrate with the city's rich history, contributing to its vibrant future. Notably, our commitment to quality led a Nepali company, Asian Concreto, to work on the prestigious project. Asian Concreto's dedication to pushing the boundaries of design and construction has transformed the Ram Mandir project into a symbol of architectural brilliance. Their work not only reflects a commitment to innovation but also a deep understanding and respect for the city's historical significance.

The company's ethos revolves around a relentless pursuit of quality, ensuring that each project contributes to the overall enhancement of the urban environment. The Nepali-based firm, Asian Concreto, has become synonymous with excellence, and its involvement in the prestigious Ram Mandir project underscores their reputation as a leader in the industry.

A Nepali company making significant strides towards Ayodhya.

Asian Concreto proudly crafts contemporary marvels, leaving an indelible mark on Ram Mandir's landscape. Committed to innovation and quality, we seamlessly integrate with the city's rich history, contributing to its vibrant future. Notably, our commitment to quality led a Nepali company, Asian Concreto, to work on the prestigious project."

Our 3 USPs define us and what we believe in:

SUSTAINABLE

Asian Concreto products are created using the finest aggregates in the market that meet our demand for consistency.

ENVIRONMENTAL

Asian Concreto brings sustainable solutions to your space, using innovative products which promote ecological balance.

AESTHETIC
